Key population leadership for Universal Access

Interactive Satellite session: AIDS2010

Monday July 19, 2010 at 18.30

Session Room 7

COME HAVE YOUR SAY!

This session involves community representatives of sex workers, people who use drugs, PLHIV, MSM and women, to discuss critical challenges to achieving Universal Access.

The discussion will highlight the causes of the failure to reach Universal Access by 2010, and the exclusion of key populations in particular.

Through an interactive session with the audience, the session will look to identifying what is needed to mobilize new leadership and to achieving Universal Access in the coming years.
